SURVEY

CISS GROUP provides the most innovative high quality, cost effective survey services for all types of commodities, general cargo and consumer goods in all major ports.

In some countries we have affiliated branches and in other countries we have a franchise partners, which act under one umbrella brand "CISS".

Our service is focused to support our clients to mitigate and minimize the risks which they might be faced with during export/import operations.

All global companies are involved in trade environment. Our aim is to respond to a constantly changing world and guarantee our customers the greatest possible competitiveness and security in survey services at the highest standards of quality on the basis of a flexible and efficient structure and rapid decision making.

We also involved in trade finance scheme to provide our customers with trade assessment and deliver them added value in the supply chain management.

We are accredited by ISO, GAFTA, FOSFA and some international finance institutions and banks.

In accordance to Basel Committee on Banking Supervision (BCBS) and Basel III rules the banks should maintain and update independent inventory, as well as control of stored pledged cargo.

CISS GROUP assists to the borrowers and the lenders in setting up cost effective and assess to the mitigating controls.

We are partner of GlobaSign. Our e-certificates (SSL Certificates) offer the strongest encryption and information is kept secure. These are value-add features to our customer and insurance that our electronic issued documents are well protected and they meet the demands of today's modern requirements in documentary letter of credits.

Issued by CISS GROUP digital certificates and inspection documents are fully compliant with UCP600* requirements approved by the Banking Commission of the International Chamber of Commerce.
